- Assistance with uninsured loss recovery
- £100,000 limit of indemnity
- 24 hour helpline
- Guaranteed hire vehicle

Why choose Drivers Club?

Having an accident can be stressful enough without the inconvenience of being provided with a small courtesy vehicle unsuited to your needs or indeed no vehicle at all following a fault accident.

Our Drivers Club Combined Motor Legal Expenses Insurance is focused on delivering a first class service combined with a guaranteed hire vehicle for up to 14 days following a fault accident, fire, theft, attempted theft, theft of parts or malicious damage to your vehicle during the period of cover. For non-fault accidents you will receive a like for like hire vehicle whilst your own vehicle is off the road.

We offer a 24-7 accident reporting line and our claims handlers are focused on providing the most appropriate solution for your needs. They will work with you to ensure any claims are handled as efficiently as possible.

In addition to a guaranteed hire vehicle the policy includes motor legal expenses with a £100,000 limit of indemnity per claim and provides recovery of your uninsured losses arising from a non-fault accident.

These include:-

- Replacement Vehicle Costs
- Policy Excess
- Loss of Earnings
- Loss of Use
- Personal Injury Compensation
- Vehicle Repair Costs
- Out of Pocket Expenses
- Damage to Personal Effects
